To All,

This was a difficult schedule this time. Due to 4 regular volunteers not being able to usher, read or count this time plus the need for exempted dates, It was necessary to have several serve more than usual or on Sunday you may not be able to attend. On Oct. 3, if not tellers attend, I'll have someone put The collection in the locked drawer and perhaps some tellers can count during the week.

Thanks everyone for serving.
