***BEARS REPEATING ~~~***

**MUSICAL NOTE:**

*The congregation is encouraged to sing the service music with the cantor, even music where only the hymn title is listed in the bulletin. Please find the music in your hymnal. (The explanation of the confusion – strange as it may seem – there is music that we may sing, but we cannot print the music in the bulletin without paying an extra royalty. Even some hymns in the hymnal!) We are working on a reasonable solution. In the meanwhile – sing, sing, sing, make a joyful noise! David Schubach*

***FROM THE OFFICE:***

The office will be sending out the third quarter donation statement for your review. Included in the letter will be the current contact information for you that is on file. Please take a moment to review both your donations and contact information and let the office know of any needed corrections.
